Educational Society

Late Shri Daya Nidhi Mishra

Smt. Vidyawati Mishra

Smt. Vidyawati Educational Society has set up **Smt. Vidyawati Group of Institutions(SVGI)**, which is a place born out of dream of **Dr. D.N.Mishra**, Founder Chairman and **Mr. Vidya Nidhi Mishra**, Chairman, after an inspiration from their father Late Shri Daya Nidhi Mishra, who was a renowned educationist and had desire to enlighten the Society. Initiation & Indomitable efforts of the chairman has proved that no matter how big a dream is, it can always turn into reality. Smt. Vidyawati Group of Institutions was founded in the name of their mother **Smt. Vidyawati Mishra**, with one unshakeable belief, that it must make available the best education to its students. More than one decade, SVGI has taken meticulous, small steps to build reservoirs of intellectual wealth and excellence. In the process, SVGI has created some of Bundelkhand's best institutes across diverse streams like Pharmacy, Nursing, Vocational Training & Education.

Ragging of junior students is strictly prohibited. Any Student found indulging in ragging of any form, will be summarily restituted by the head of the institute. Ragging is a punishable offence under Law and the student will be dismissed from the institute without any prior notice or warning and his/her name may be reported to police for legal action.

Ragging in any form or at any place is strictly prohibited.

Founder Chairman's Message

DR. D. N. Mishra

MBBS (Gold Medalist), MD (Medicine)
MAMS, FCCP, FIMSA, FIACM, FICP

Dear All,

“Success is a journey, not a destination!”

Education is the most important element for growth and prosperity of a nation. The time in which we live today stands on two key pillars, globalization and growth. Both of these pillars are founded on a base structure of intense competition. As a result, young generation of today faces serious challenges in terms of securing future and ensuring success in the lives. It has become imperative for them to excell in respective fields. Earlier they wanted to be the best but today they need to be still better!

This is where an exemplary educational institution can make a difference. It equips students in such a manner that they know how to find success and what to do to achieve it. The mission of Smt. Vidyawati Group of Institutions (S.V.G.I. is to provide excellent education in a stimulating environment where delivery of superb pharmaceuticals, patient and technical care education is integrated with nationally and internationally recognized research.

As has been said by Aristotle, “Excellence is an art won by training and habituation. In order to achieve excellence, we apply innovative and proven educational methods to produce technocrats who possess skills and knowledge to face the new world.

Working and learning at the cutting edge of healthcare research is an unique benefit at the SVGI. The institute in all aspects of its operations and functions is dedicated to “Impart Quality Education & ‘Higher Education to All’”. I welcome you to explore the world of Smt. Vidyawati Group of Institutions because here you find not just a career but also the key to a bright destiny. Here you can learn to handle all the smallest difficulties that may cross your path. Pass all the pebbles in your path and you will find you have crossed the mountain.

Chairman's Message

It is my great pleasure to communicate through this Prospectus of Smt. Vidyawati Group of Institutions. Education plays a vital role in building future of a person vis-à-vis nation building. Choice of an institute of repute and right subject play an important role in the career of a student. The Institute committed to provide quality education in building the future of today's youth. In the era of globalization, working environment has become highly competitive and challenging. Instead of intrincating materialism through only class room education, the college motivates students to take part in debates, quizzes, seminars, industrial visits, interactive sessions, indoor and outdoor games, host of other programme and activities to inculcate in them sound moral values, strong personality and enthusiasm. At S.V.G.I., supreme emphasis is laid on providing the most modern and sophisticated learning environment coupled with Indian culture, moral values and its rich heritage.

The guiding principle of the foundation is "Where modernity blends with tradition." The teaching methodology is contemporary which will keep the students and the staff abreast with the ever- changing scenario in the educational areas. Tradition gives us ethics and values and modernity gives us an opportunity to apply those values to move ahead and make our mark. Academic and cultural environment of Institutions will provide a platform where all students come together and explore the individual and group talents and resources.

The faculty and management possess a high degree of integrity and knowledge that makes the students into efficient and effective human beings. S.V.G.I. has a fine academic reputation and you will find a caring faculty body, excellent academic facilities and an ideal environment for study. We look forward to having you as a student on our campus. You are on the threshold of an education opportunity that will launch you on a productive and satisfying professional career.

VIDYA NIDHI MISHRA
Chairman

Our Vision

Smt. Vidyawati Group of Institutions aims to promote an excellence-driven academic culture that instills knowledge and advance understanding of biomedical, pharmaceutical, social/behavioral/administrative, clinical sciences, nursing, technical skills & education. We also aim to support an academic environment that fosters the future-directed growth of students and faculty as it relates to education, practice, research and scholarship initiatives.

Our Mission

Smt. Vidyawati Group of Institutions mission is to develop benevolent, perfectly trained practitioners who are equipped to meet the immediate and future demands of pharmaceutical science, patient care in an ever-changing health care environment as well as to provide technical personnel to the society.

Education is the most powerful weapon that you can use to change the world
